

The Story of East Anglia III

Archaeologists, Antiquaries and Artists

Following two previous groups of lectures for the group, this lecture series presents a series of stand-alone sessions focussing on different aspects of East Anglia's rich heritage, as seen through the eyes of generations of archaeologists, antiquaries and artists.

Hoard of the Things

Roman Treasure in East Anglia

This lecture compares and contrasts the discovery, contents and interpretation of three of the richest and most important of the treasure hoards so far recovered from late Roman Britain, all of which have been discovered within East Anglia: the Mildenhall Treasure, the Thetford Treasure and the Hoxne Hoard.
