

# The Story of East Anglia III

## Archaeologists, Antiquaries and Artists

Following two previous groups of lectures for the group, this lecture series presents a series of stand-alone sessions focussing on different aspects of East Anglia's rich heritage, as seen through the eyes of generations of archaeologists, antiquaries and artists.

### Thoughts and Crosses

#### The Archaeology of the East Anglian Conversion

This lecture uses documentary sources and artefacts, cemeteries, settlements and early churches from the region's rich archaeological record to present an overview of the adoption of Christianity in seventh-century East Anglia.
